AGENDA

Initial meeting

1. Delegation of positions and user stories.

New Business

- Plan to submit all our user stories to Kori on Monday night.

NOTES

- Brian and Mariah may do the upfront work using QT. Will be addressing this later.
- Michael will be the Scrum Note Taker.
- Possible approaching this project with a bottom up approach.

- Kori will be Product Manager.

User stories assignments

1. As an admin, I want to change shape parameters - **Brian**
2. As an admin, I want to be able to delete a shape - **Mariah**
3. As an admin, I would like to move a shape . - **Kori**
4. As a new user, I would like to create an account. - **Michael**
5. As a 'forgetful user,' I would like to recover my credentials. - **Michael**
6. As a returning user, I would like to login (as a non-admin). - **Ali**
7. As a standard user, I would like to draw a new shape - **Braden**
8. As a standard user, I would like to view my shape. - **Braden**
9. As a standard user, I would like to view all shapes. - **Peter**
10. As a standard user, I would like to delete a shape I created. - **TJ**

NEXT WEEK'S AGENDA

Submit groups user stories on October 3rd to Canvas - **Kori**
