01 NOVEMBER 2018 / 2:00 PM

ATTENDEES

TJ - present

Peter - present

Mariah - present

Brian - present

Michael - present

Kori - present

Braden - present

Ali - present

ALL MEMBERS PRESENT.

AGENDA

Meeting

- Shapes is done
- Database is almost complete
- User is mostly completed
- QT frontend still needs working on

New Business

- Ali and Michael to do more work on Frontend code

NOTES

- Current Progress

- ○ Kori & TJ are done with Shapes and are working forward in developing the database backend code

- ○ Brian & Mariah have a pseudo QT User login screen completed that upon successful login takes the user to a small blank screen. They are standing by for QT frontend code.

- ○ Braden

Order of Business

- Work on frontend code
- Find out what version of QT to use for the whole group

NEXT WEEK'S AGENDA

Have a majority of backend code completed by next Thursday.
